AUDIO-VISUAL RENTAL GUIDE

Oregon Zoo Events

WE CAN HELP!

The Oregon Zoo is happy to assist with all your audio-visual needs. We have partnered with Hollywood Lights Inc., a locally-owned company with 70 years of experience providing all levels of audio-visual design. Our production and AV experts can help with any level of service, including: projection, event and decorative lighting, sound design, and much more.

This guide provides pricing for some of the most common equipment and services. Additional equipment and services are available, please inquire for more information.
